In the Matter of:

OF A CERTIFICATE OF PUBLIC)
CONVENIENCE AND NECESSITY TO) CASE NO. 2007-00269
CONSTRUCT AN ADDITIONAL CELL)
FACILITY AT 932 FEARING ROAD,)
OWINGSVILLE, BATH COUNTY, KENTUCKY)

COMMISSION STAFF'S NOTICE
OF INFORMAL CONFERENCE

Commission Staff hereby gives notice that an informal conference will be held on November 28, 2007 at 9:00 a.m., Eastern Standard Time, in Conference Room 1 of the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky.

The first informal conference was conducted on October 24, 2007 with Commission Staff members, Verizon Wireless ("Verizon") representatives, and 5 of 13 intervenors taking part in discussion of the issues. None of the intervenors were opposed to the construction of the cell tower *per se*, but objected to its proposed location. The intervenors proposed a compromise by moving the construction several hundred feet east on the right-of-way line of Interstate 64, near a grove or stand of trees. The intervenors felt that if Verizon would send its engineers and technical people to the site and "check out" the new location, then maybe the tower could be moved or it could be said that Verizon cooperated and attempted to settle the matter. Verizon agreed to voluntarily examine the new proposed site, although Verizon fears it might not

be a suitable alternative site. When completed, the intervenors have generally agreed to withdraw their status as intervenors.

The purpose of this second meeting is to discuss the findings of Verizon.

A handwritten signature in black ink, appearing to read "Beth O'Donnell", is written over a horizontal line. The signature is stylized and somewhat cursive.
